### *Winery*

The winery is in Langenlois, in the heart of the Kamp Valley. A wonderful area with magnificent wines. We combine tradition and care as well as sensitivity for a living product in creating unique wines. For us the basis for producing distinctive wines is to treat the earth and the vineyards with respect – this is of inestimable value for the vines in the Kamp Valley. Our vineyards are located on the Neuberg, Spiegel, Haasel, Steinhaus and Käfertal with a more or less equal percentage of white and red wines.
