## Vineyard Site:

After a few trips to the Champagne region, Stefanie and Alwin set off in search of a suitable vineyard in the Kamptal valley and found a Grüner Veltliner vineyard high above Langenlois, at an altitude of almost 400 m, in the village of Mittelberg. The cool temperatures of the site and the resulting long vegetation period produce wines that are perfectly suited to the region.

## Winery

The Jurtschitsch winery, situated in Langenlois, is one of the most prestigious wineries in Austria which impeccably displays Austrian wine culture at its best. Alwin and Stefanie Jurtschitsch having been leading the family estate for some time now and have managed to reinterpret premium wine in their own way. For the two of them this means vinifying authentic, complex and terroir-specific wines with cool, elegant stylistics - in other words, permitting the different appellations in Langenlois to express themselves individually.
