VINEYARD

Vineyard Site:

Handpicked organic grapes from Merlot and Blaufränkisch from carefully cultivated vineyards in prime locations form the basis of this special wine. And both thrive where they feel most comfortable. The trend-setting Merlot on the Kurzberg on clay. The supporting Blaufränkisch from old vines on lime.

Origin:	Austria, Burgenland, Gols
Quality grade:	Österreichischer Qualitätswein
Site:	Kurzberg, Ungerberg
Site Type:	hillside
Varietal:	Merlot 85 % Blaufränkisch 15 %
Geographical Orientation:	south, south west
Sea Level:	110 - 130 m
Soil:	clay calcareous loam

WEATHER / CLIMATE

Climate:	continental, pannonic
Vintage description:	

2016 started out difficult with frost that lead to a substantial loss in yield. This was followed by a wet and cold summer with perpetual threats of fungal infections. On the bright side the water supply for the vines was ideal for the subsequent almost too hot September. All's well that ends well.

HARVEST AND MATURING

Harvest:	handpicked September 22 - October 5
Grape Sorting:	manual
Fermentation:	spontaneous
Malolactic Fermentation:	yes
Filter:	unfiltered
Maturing:	large wooden barrel 500 L used barrel 18 month(s) bottle 12 month(s)
Bottling:	July 5, 2018 14000 bottles

WINERY

As residents of Burgenland in the far east of Austria and as winemakers in Gols, we find ourselves in a multiply fortunate position. Because the Pannonian climate at Lake Neusiedl is not only beneficial and wonderful to live in, but also perfectly predestined for viticulture. The same applies to the diverse soils. This obliges us to produce wines of the highest quality. Starting with the 2013 vintage, all of our winery wines will be organic or biodynamic. In addition, Gols, where our family has been producing wine since 1684, is also a little away from the hustle and bustle of the city. That's why we have the peace and patience here to focus on what matters most. To produce distinctive, timeless, enduring wines from local varieties that will stay with you for a lifetime.
