

Gemischter Satz Fruchtsüß 1,5 L Magnum 2012

Wine Description

The Gemischer Satz is not a Cuvée; it means that different vine varieties grow together in one vineyard. At the harvest the grapes are harvested together, pressed together and fermented together. 50 years ago this was the typical form of winegrowing before winegrowers started to make single-variety wines. This Gemischer Satz includes typical varieties of our region like Fruehroter Veltliner, Rivaner, Riesling or Pinot Blanc from 40 year old vines. The vineyard is situated in the very north of our region, which means a strong and cold climate. (Cool nights, rough winds) This brings fruitness and mineral taste in the wine. The Gemischer Satz Fruchtsüß 12 is - due to its name - very fruity, sweet and spicy. It is a very well-balanced wine with a medium body and a long after taste. It fits very well to spicy, vegetarian food.
