WINERY

Weingut Mayer am Pfarrplatz, the epitome of Viennese Heurigen culture, has a centuries-old tradition crafting the finest Viennese wines in Heiligenstadt since 1683. Vienna is the only metropolitan city in the world with notable viticultural areas within its city boundaries and its terroir is unique. The wine-growing region of Vienna covers a surface area of approx. 640 hectares. Our village wines grow in the vineyards of Grinzing, Hernals and Wiener Nussberg. Our wines from the single sites Preussen and Langteufel classify as Erste Lage.
