Vineyard Site:

This very special, small vineyard parcel is located within in the larger Ried Feiersteig. It was documented in the mountain ledgers of 1579 as the best vineyard parcel. This southeast-facing vineyard is characterised by pure, coarse-grained Leithakalk (Leitha shell limestone) with shallow humus cover. In this particularly meagre soil, the vines thrust their roots deep and produce grape bunches with small, aromatic grape berries. Cool breezes from the adjacent forest create a unique microclimate that lends wines depth, length and an inimitable aroma.

Wine Description

Russet pear peel, hay flower, spruce and wet earth subtly combine into an intriguing, appetizing nose. The palate comes in with an unexpected but delightful lemon brightness that highlights that aromatic edge of conifer. The texture has a phenolic grip that is reminiscent of chewed apple pip with a rather pleasant edge of bitterness. This is rich in feel, making it a great wine for the dinner table.
