Curiosity

At the corral Formigar, where prince Tocol once celebrated parties, where the wine warmed up the hearts of his guests, the harpist Lareyn was playing songs of the mountains and of the dark myths from earlier times, which belongs to the empire of the silver mountains, to the tables of heroes of Ey de Nét, Men de Fiér and Dolasilla. (Extract from the book of Hubert Mumelter "Wine from Rätien").

Food Pairing

Best with venison, roasts, dark meat or hard cheese.

Vintage 2017

Typical Varietals, Wines that are Elegant, Fresh, and Fruity The capricious weather in 2017, above all else the frost and hail, left its mark in Alto Adige's vineyards, especially in terms of quantity. All in all, though, 2017 presents itself as a good vintage with convincing levels of quality and with quaffable, inviting wines that are typical for Alto Adige. (Südtirol Wein)
