## Wine Description

Balanced, dynamic and straightforward. Our Auslese is a blend of fresh and sweet grapes and consequently delivers the best of both worlds. An animating acid structure embeds itself in a dense and juicy texture with drinkability, sweet, inviting fruit and a persistent spiciness on the palate.

## Winery

The Jurtschitsch winery, situated in Langenlois, is one of the most prestigious wineries in Austria which impeccably displays Austrian wine culture at its best. Alwin and Stefanie Jurtschitsch having been leading the family estate for some time now and have managed to reinterpret premium wine in their own way. For the two of them this means vinifying authentic, complex and terroir-specific wines with cool, elegant stylistics - in other words, permitting the different appellations in Langenlois to express themselves individually.
