Hager Rot 2017

Hager Rot is a Cuvée of Zweigelt, St. Laurent and Pinot Noir. The harmonious interplay of these red wines, the special care of the vineyard and the proper monitoring of the wine in the cellar, lead to this high-quality blend. Especially the Pinot Noir requires high quality soil (barren, stony soils with southerly orientation). The grapes grow in 350-400m above sealevel on clay and stony soil (micaschist and gneis) After a good selection and spontanous fermentation the wine was filled in small used oak barrels for 18 month before it got bottled. It is a fruity, fullbodied red wine with soft tannins and a long finish. It is good companion to deer or cheese. It is also a dessert on his own.

Wine Type:	Still wine red dry
Alcohol:	12 %
Residual Sugar:	1 g/l
Acid:	5.6 g/l
Certificates:	organic, Demeter
Allergens:	sulfites
Aging Potential:	2027 years

Vineyard Origin: Austria, Kamptal, Mollands

Quality grade: Österreichischer Qualitätswein

Site: Steinleiten, Hiesberg

Site Type: hillside

Varietal: Blauer Zweigelt

St. Laurent

Geografical Orientation: south

Soil: loam

mica schist

flint

gneiss
