| <b>Geographical Orientation:</b> | north east  |
| <b>Vineyard Site:</b>            | Vineyards near lake Neusiedl: mostly flat (plain) |

## WEATHER / CLIMATE

### Vintage description:

Das Weinjahr 2017 begann mit einem sehr trockenen Winter. Die Niederschläge stellten sich auch im Frühjahr nur spärlich ein. Eine kurze Frostphase Ende April richtete keinen Schaden an, die Blüte erfolgte bereits früher als normal. Generell regnete es öfters, aber sehr wenig, auch im sehr heißen Sommer, der sich bis Ende September hinzog. Ein Wunschjahrgang für Rotwein, wo Qualität und auch Menge passte. Die Top-Rotweine sind grandios, mit 2015 und 2011 vergleichbar. Die Weißweine zeichnen sich durch eine schöne Frucht und angenehme Säure aus.

## CELLAR

|                                 |                               |
|---------------------------------|-------------------------------|
| <b>Harvest:</b>                 | handpicked   middle/september |
| <b>Grape Sorting:</b>           | manual                        |

| <b>Optimum Drinking Year:</b> | 2018 - 2023              |

## WINE DESCRIPTION

Fresh smell of citrus and stone fruits, fine complex fruit, floral notes. Balanced acidity, elegant finish.

## WINERY

As residents of Burgenland in the far east of Austria and as winemakers in Gols, we find ourselves in a multiply fortunate position. Because the Pannonian climate at Lake Neusiedl is not only beneficial and wonderful to live in, but also perfectly predestined for viticulture. The same applies to the diverse soils. This obliges us to produce wines of the highest quality. Starting with the 2013 vintage, all of our winery wines will be organic or biodynamic. In addition, Gols, where our family has been producing wine since 1684, is also a little away from the hustle and bustle of the city. That's why we have the peace and patience here to focus on what matters most. To produce distinctive, timeless, enduring wines from local varieties that will stay with you for a lifetime.
