Harvest:	handpicked
Fermentation:	spontaneous
Malolactic Fermentation:	yes
Whole Grape Pressing:	yes
Maturing:	steel tank

Winery

Experience in making wine for more than a century, the excellent soil in Langenlois and various established varieties characterize our family-owned winery. Passionately we expend a lot of effort every year to finish our wines with a personal touch, which is important to us. Working in line with nature out in the vineyards is self-evident for us. This is why we have pursued sustainable wine growing throughout decades and we had our estate certified organic in 2010.
