Curiosity

The county of Bolzano was divided in 1090. The eastern half fell to the Counts of "Morit" and included the territory of today's municipalities of Gargazon, Terlan, Bolzano, Leifers, Ritten etc. The Counts of Morit left their castle Morit and built the castle Greifenstein (Sauschloss) above Siebeneich. Since ancient times the Rhaetian and later the Tyrolean wine was highly appreciated by the Romans and in the German speaking countries.

Food Pairing

Ideal with South Tyrolean Speck, cheese and grilled fish. Because of its seductive lightness it's also perfect as a solo entertainer!

Vintage 2017

Typical Varietals, Wines that are Elegant, Fresh, and Fruity The capricious weather in 2017, above all else the frost and hail, left its mark in Alto Adige's vineyards, especially in terms of quantity. All in all, though, 2017 presents itself as a good vintage with convincing levels of quality and with quaffable, inviting wines that are typical for Alto Adige. (Südtirol Wein)
