<b>Soil:</b>	calcareous mica loess

## Harvest and Maturing

<b>Harvest:</b>	handpicked
<b>Malolactic Fermentation:</b>	yes
<b>Fermentation:</b>	spontaneous steel tank

## Winery

Experience in making wine for more than a century, the excellent soil in Langenlois and various established varieties characterize our family-owned winery. Passionately we expend a lot of effort every year to finish our wines with a personal touch, which is important to us. Working in line with nature out in the vineyards is self-evident for us. This is why we have pursued sustainable wine growing throughout decades and we had our estate certified organic in 2010.

## Wine Making

Only the healthiest grapes remain on the vine during the pre-selection process by hand, before the Hasel vineyard is harvested. Whole bunch pressing and yet some time on skins result in an elegant wine with a good structured backbone.
