## Vineyard Site:

The vineyard, which is situated on the south to southwest side, is laid out in terraces, reaches up to 380 m above sea level and is one of our highest sites. The vines are deeply rooted in crystalline mica schist. The Loiserberg is the most westerly elevation in Langenlois towards the Waldviertel region and therefore enjoys a very special microclimate. Even on warm summer days, the vines here are surrounded by cooler winds from the rougher Waldviertel region, which gives the wines a ripe acid structure, cool elegance and lightness.

## Winery

The Jurtschitsch winery, situated in Langenlois, is one of the most prestigious wineries in Austria which impeccably displays Austrian wine culture at its best. Alwin and Stefanie Jurtschitsch having been leading the family estate for some time now and have managed to reinterpret premium wine in their own way. For the two of them this means vinifying authentic, complex and terroir-specific wines with cool, elegant stylistics - in other words, permitting the different appellations in Langenlois to express themselves individually.
