| <b>Allergens:</b>      | sulfites                 |

### WINE DESCRIPTION

The vines for our Grüner Veltliner Steinfeder grow on different vineyards around Dürnstein and Loiben. Steinfeder stands for very fruity and light wines in the wachau with a maximum alcohol content of 11.5% Vol. This category is named after the Steinfeder grass which you can find on the dry grasslands all over the wachau valley.

### WINERY

The Tegernseerhof is situated in the middle of one of the most beautiful winegrowing regions in Austria – the Wachau, UNESCO World Heritage Site. The original facilities were built in 1176 by the Benedictine community of the Tegernsee Abbey. Today, Martin Mittelbach is the sixth generation of owners. Among the best-known, excellent locations and wines are Schuett, Hoehereck, Loibenberg, Steinertal and Kellerberg. As a member of the association “Vinea Wachau”, the vinification follows the regulations of the “Codex Wachau” - a declaration of dedication to natural wine production and the strictest control. "The highest level of excellence must be the minimum we should expect from these wines." Martin Mittelbach.
