Cellar

Traditionelle Flaschengärung

The grapes are gently pressed, followed by fermentation and maturation in used 2,000-liter acacia barrels. After the second fermentation in the bottle, the wine matures on the lees for at least 48 months – a long resting period that imparts refined creaminess and an elegant mousse.

Wine Description

Bright golden yellow with a persistent fine mousse. Yellow pear fruit with a delicate brioche touch, accompanied by melon, yellow mirabelle plum, a hint of blossom honey, and some candied citrus. Juicy, elegant, with a fine acidity structure, spicy, with delicate notes of yellow apple, sweet mango, and biscuit on the finish. A powerful food companion with substance.
