Wine Type:	Still wine   red   dry
Allergens:	sulfites
Drinking Temperature:	17 - 18 °C
Aging Potential:	high (12 years)
Optimum Drinking Year:	2021 - 2026

### Wine Description

ruby-red with dark core, in the nose green pepper with impressions of mint and pomegranate, delicate note to graphite, balanced on the palate with hints of black currants, spicy and full-bodied, fine, smooth and long finish

### Winery

Connected to the soil and always open to new things characterise our work. The vineyards are cultivated expertly and ecologically, the grapes are harvested exclusively by hand and the wine is given plenty of time to develop in the cellar.

### Food recommendation

goes well with dark meat and game as well as hard cheese
