

HEIDEBODEN ROSÉ 2018

Origin:	Austria, Neusiedlersee, Gols
Quality grade:	Österreichischer Qualitätswein
Site:	Heideboden
Site Type:	hillside
Varietal:	Zweigelt 100 %
Geographical Orientation:	north east

Vineyard Site:

Vineyards near lake Neusiedl: Heideboden, Parndorfer Platte, mostly flat (plain)

WEATHER / CLIMATE

Climate: continental, pannonic

Vintage description:

2018 started off cool until the very warm spring. Early flowering and even earlier veraison. Hot, but in between enough rain from the east (which means Leithaberg drier than east side of the lake). Harvest started exceptionally early (mid-August). High levels of ripeness, but still a lot of tension and elegance. Beautiful vintage especially for red wines.

CELLAR

Harvest:	handpicked August 29
Malolactic Fermentation:	yes
Fermentation:	spontaneous steel tank temperature control: yes
Filter:	filtered
Maturing:	steel tank

Bottling: Feb. 11, 2019 | 13000 bottles

Aging Potential: medium (6 years)

Optimum Drinking Year: 2019 - 2022

WINE DESCRIPTION

Feiner Duft nach Steinobst und Wiesenkräutern, am Gaumen vollmundig und gut ausbalanciert, reife Säure, feiner Abgang.

WINERY

As residents of Burgenland in the far east of Austria and as winemakers in Gols, we find ourselves in a multiply fortunate position. Because the Pannonian climate at Lake Neusiedl is not only beneficial and wonderful to live in, but also perfectly predestined for viticulture. The same applies to the diverse soils. This obliges us to produce wines of the highest quality. Starting with the 2013 vintage, all of our winery wines will be organic or biodynamic. In addition, Gols, where our family has been producing wine since 1684, is also a little away from the hustle and bustle of the city. That's why we have the peace and patience here to focus on what matters most. To produce distinctive, timeless, enduring wines from local varieties that will stay with you for a lifetime.
