DATA

Wine Type:	Still wine red dry
Alcohol:	9.5 %
Residual Sugar:	< 1 g/l
Certificates:	organic, Demeter
Allergens:	sulfites
Drinking Temperature:	13 - 16 °C
Aging Potential:	high (12 years)
Optimum Drinking Year:	2019 - 2028

WINE DESCRIPTION

A rosé wine, that awakens you. Disarming freshness and vigorous. Lean, straightforward, juicy. Racy acidity. Mulberry, gooseberry, tarragon. Initially, the wine is austere on the palate but gradually evolves into an tangy acidity, with fresh, vibrant fruit. You will find a lot here - anything but kitsch. Mouthfeeling like freshly squeezed grapes.

WINERY

Since 2013, we have been following our own path in terms of vinification in order to uncompromisingly express the character and independence of the Hollenburg origin in our wines. My family stands behind me and my, admittedly, sometimes stubborn way. I vinify my wines according to traditional methods - in used wood, with little intervention - and my ideas. Tradition rethought.
