Fermentation Process:	pump over   1 - 2 x day   Duration: 14 days
Filter:	layer filtration
Maturing:	small oak barrel   225 L   used barrel   12 month(s)

## Data

Wine Type:	Still wine   red   dry
Allergens:	sulfites
Drinking Temperature:	16 - 18 °C
Aging Potential:	high (10 years)
Optimum Drinking Year:	2022 - 2030

## **Wine Description**

Bright ruby-red, in the nose light berry fruit with impressions of raspberries, smooth on the palate with deep fruit, balanced and full-bodied with fine finish

## **Winery**

Connected to the soil and always open to new things characterise our work. The vineyards are cultivated expertly and ecologically, the grapes are harvested exclusively by hand and the wine is given plenty of time to develop in the cellar.

## **Food recommendation**

goes well with game, poultry and strong spicy dishes
