Vineyard Site:

Documented since 1455, this southeast-facing vineyard is situated high above the castle park of Eisenstadt and extends to the edge of the Leithaberg forest. Proximity to the forest causes large diurnal temperature fluctuations and together with Leithakalk (Leitha shell limestone), ideal conditions prevail to slowly ripen the Sankt Laurent variety to full maturity. This Sankt Laurent vineyard yields very elegant, finely spiced red wines each year.

Wine Description

The nose is still shy and presents a picture of tart, reticent red cherry. The palate comes in with lovely, sweeping elegance, like a swish of an Atlas silk gown. It presents concentration, densely woven but ultrafine tannins and supreme elegance, all framing that pure, tart and exquisite notion of tart red cherry. This is poised, taut, harmonious and fine and will be ready with another two or three years of bottle age.
