## Wine Description

bright yellow in color; lemon grass and tropical aroma is combined with nicely ripe peach flavors; elegant acidity paired with a hint of sweetness;

## Vineyard

The single-vineyard (Ried) Hasel lies in the north-east of Langenlois. The ground consists of calcareous soil and contains sandy and partially rocky elements in deeper layers. The Riesling vines are 40+ years in age and result in a very rich Riesling full of finesse.

## Wine Making

Only the healthiest grapes remain on the vine during the pre-selection process by hand, before the Hasel vineyard is harvested. Whole bunch pressing and yet some time on skins result in an elegant wine with a good structured backbone.
