

Riesling Alte Reben Steinleiten 2018

Wine Description

Riesling is also called the king of the white wines. It is a very typical grape variety in our region and needs spares and stony soil. Only on this soil it develops its typical character. The harvest is rather little; therefore the quality is especially good. The Riesling Alte Rebe comes - as its name implies - from old vines. The grapes are planted in the 1960-ies on a clay soil with stony base at 320m above sea-level. Because of their age the quantity is rather little but the quality is therefore very high. The grapes and berries are very little but the potential for maturity is very high. The harvest is always rather late. A part of Riesling Alte Reben 18 was fermented on the skin (10%) and aged in oak barrels. The rest made its spontaneous fermentation in steel tank. Combined it is a very complex white wine with a good structure, a nice mouth-feeling and a mix of fruitiness and minerality.

Wine Type: Still wine | white | dry

Alcohol: 13.5 %

Residual Sugar: 2.4 g/l

Acid: 5 g/l

Total Sulfur: 32 mg

Certificates: organic, Demeter

Allergens: sulfites

Drinking Temperature: 10 - 12 °C

Aging Potential: 8 years

Award

Gault Millau: 17,5

Vineyard

Origin: Austria, Kamptal, Mollands

Quality grade: Kamptal DAC Reserve, Bio-Wein aus Österreich

Site: Steinleiten

Soil: Gföhler Gneis

Harvest and Maturing

Harvest: handpicked

Fermentation: spontaneous

Malolactic Fermentation: yes

Maturing: steel tank

large wooden barrel
