## Wine Description

Deep gold with yellow reflexes in the glass, in the nose the wine shows multilayered with impressions of citrus, quince, yellow apples and honey. On the palate the wine shows again fresh impressions of honey with a spicy and peppery finish. The wine leaves vivid and complex on the palate and ends in a very long finish

## Winery

Connected to the soil and always open to new things characterise our work. The vineyards are cultivated expertly and ecologically, the grapes are harvested exclusively by hand and the wine is given plenty of time to develop in the cellar.
