

Gemischter Satz 2019

Wine Description

The Gemeschter Satz is not a Cuvée; it means that different vine varieties grow together in one vineyard. At the harvest the grapes were harvested together, pressed together and fermented together. 50 years ago this was the typical form of winegrowing before winegrowers started to make single-variety wines. This Gemischter Satz includes Fruehroter Veltliner, Rivaner, Pinot Blanc and other typical varieties of our region from 50 year old vines. The vineyard is situated in the very north of our region at 400m above sea level, which means a strong and cold climate. (Cool nights, rough winds) This brings fruitiness and mineral taste in the wine. 2019 acidity was a little bit higher than usual for Gemischter Satz and the fermentation stopped at 12,6g/l sugar rest. This combination of acidity and sugar rest is very harmonious and makes the wine to a perfect companion to spicy asian food.
