| Residual Sugar: | 1.7 g/l |
| Drinking Temperature: | 8 - 10 °C |
| Optimum Drinking Year: | 2021 - 2025 |

WINE DESCRIPTION

It displays gentle golden yellow colour. Aroma is youthful, with very nicely defined varietal character reminiscent of rose and lychee with noticeable muscat scent. Very dry and light bodied. There is plenty of liveliness, and freshness with remarkable acidity levels. A dance of roses continues in the palate and concludes with a medium long finish.
