Data

Wine Type:	Still wine white dry
Alcohol:	13 %
Residual Sugar:	1 g/l
Acid:	6.3 g/l
Total Sulfur:	< 75 mg
Certificates:	vegan, organic
Allergens:	sulfites
Drinking Temperature:	8 - 10 °C
Aging Potential:	10 years
Optimum Drinking Year:	2021 - 2028

Awards

The Wine Enthusiast:	95
Vinum:	18,5

Wine Description

Goldberg is one of the best single vineyards in the village. Terraces and hills which slope towards the Danube Valley and mighty loess ground build the foundation for the Goldberg wines. Bunches are hand-picked mid-October and sorted manually before being pressed whole in order to retain finesse and elegance. In tandem with the delayed spontaneous fermentation in stainless steel tanks, the Goldberg vineyard creates complex yet light-footed wines. Goldberg always has something hearty about it: it gives us assertive but also charming wines. Spicy, as one would expect from the grape variety, yet always ripe and, in warmer years, lush. All this makes for a complex, profound wine with excellent ageing potential.

Winery

We love our village of Grossriedenthal. It is the origin and the home of our wines. The surrounding countryside is our little world in which we wine growers farm various different sites. Since 1976, organic farming has been the foundation of our activities today, with biodynamic winemaking becoming part of our philosophy in 2023. We might look back, sideways, but we always keep our sights on the future. With our trust in nature, the joy we feel when working in the vineyards and the passion for making something extraordinary out of our grapes, we are creating wines that say a lot about their origins and about us. Honest, authentic and full of life. We are a member of OETW & Respekt BIODYN.
