Curiosity

The county of Bolzano was divided in 1090. The eastern half fell to the Counts of "Morit" and included the territory of today's municipalities of Gargazon, Terlan, Bolzano, Leifers, Ritten etc. The Counts of Morit left their castle Morit and built the castle Greifenstein (Sauschloss) above Siebeneich. Since ancient times the Rhaetian and later the Tyrolean wine was highly appreciated by the Romans and in the German speaking countries.

Food Pairing

Ideal with South Tyrolean Speck, cheese and grilled fish. Because of its seductive lightness it's also perfect as a solo entertainer!

Vintage 2019

Lively, Fresh Wines Filled with Character After a capricious winegrowing year with some extreme weather conditions, the ideal autumn weather before the beginning of harvesting led to a good harvest with some promising quality. (Südtirol Wein)
