Ried Gollin Erste Lage ÖTW Grüner Veltliner 2019

Origin:	Austria, Vienna
Quality grade:	ÖTW Erste Lage
Site:	Ried Gollin
Site Type:	terraces
Varietal:	Grüner Veltliner 100 %
Geographical Orientation:	south east
Soil:	lime sandstone marine sediments

Vineyard Site:

The vines of this humid vineyard on Vienna's Nussberg are optimally supplied with water. Situated on a marine beach terrace with Viennese sandstone as subsoil, the Ried Gollin has marine deposits on the surface, which have weathered into calcareous sands through erosion.

Wine Description

The lime content of the Ried Gollin is very high, which makes it possible to detect very mineral notes on the palate. Accompanied by fresh walnut aromas and racy acidity, this wine is a very complex representative of the Grüner Veltliner variety.

Winery

Since 1720, our winegrowing family from Neustift has been part of the circle of artists who have devoted themselves to viticulture with love and dedication. This passion was so strong that it continues to this day. Our family businesses, which could also be described as generational, bear witness to how important the production of fine wines is to us.
