Sea Level:	150 m
Soil:	gravel slate quartz

Cellar

Harvest:	handpicked middle/september
Fermentation:	spontaneous
Filter:	layer filtration
Maturing:	steel tank 5 month(s)
Bottling:	glass cork

Data

Wine Type:	Still wine rose dry
Allergens:	sulfites
Drinking Temperature:	12 °C
Aging Potential:	medium (4 years)
Optimum Drinking Year:	2020 - 2022

Wine Description

Bright raspberry red, aromas of raspberries and hints of cherries on the nose, fruity on the palate with impressions of citrus, pleasant, fine, full-bodied taste, mild.

Winery

Connected to the soil and always open to new things characterise our work. The vineyards are cultivated expertly and ecologically, the grapes are harvested exclusively by hand and the wine is given plenty of time to develop in the cellar.

Vinification

ROSA is made from juice extraction. According to the traditional method, the red grapes are drained for a few hours before fermentation, thereby releasing colour and aroma substances as well as delicate tannins from the berry skins. The process of tapping is also known as "bleeding", in French as "saignée".

Food recommendation

Aperitif, light appetizers, salads, fish, grilled food
