

TOCHTER WEISS 2019

Origin:	Austria, Neusiedlersee
Quality grade:	Bio-Landwein aus Österreich
Site:	Töchterl
Site Type:	hillside
Varietal:	Grüner Veltliner 100 %
Soil:	slate
Vineyard Site:	tiny vineyard on the site Jungenberg, west of lake Neusiedl, Leitha mountain range; slate soil

WEATHER / CLIMATE

Climate: continental, pannonic

Vintage description:

2019 started out with a dry winter, followed by a relatively warm spring. The cool and very wet May delayed vegetation but ensured water reserves for the hot and dry June, July and August. Harvest started at the beginning of September.

DATA

Wine Type:	Still wine white dry
Alcohol:	11.5 %
Acid:	6.2 g/l
Residual Sugar:	1 g/l
Certificates:	bio-dynamic
Allergens:	sulfites

WINE DESCRIPTION

Only child - Grüner Veltliner DAUGHTER - Actually, you gotta be crazy to make this wine. Its vineyard is tiny, old, ragged, almost no yield. Hard work. Well, there you go, that's why. Total individuality. Just like a human life. It is only there once. So is this wine.

WINERY

As residents of Burgenland in the far east of Austria and as winemakers in Gols, we find ourselves in a multiply fortunate position. Because the Pannonian climate at Lake Neusiedl is not only beneficial and wonderful to live in, but also perfectly predestined for viticulture. The same applies to the diverse soils. This obliges us to produce wines of the highest quality. Starting with the 2013 vintage, all of our winery wines will be organic or biodynamic. In addition, Gols, where our family has been producing wine since 1684, is also a little away from the hustle and bustle of the city. That's why we have the peace and patience here to focus on what matters most. To produce distinctive, timeless, enduring wines from local varieties that will stay with you for a lifetime.
