Wine Description

The nose opens with delicate biscuit and hazelnut aromas, complemented by floral heliotrope and a subtle hint of well-aged cognac. On the palate, it shows a creamy texture with refined dark-chocolate nuances, supported by notes of bergamot and fine nut skin. Full-bodied and structured yet beautifully balanced, it presents itself with a particularly seductive and elegant character.

Food Pairing

A perfect match with refined seafood such as lobster, scallops, langoustines, or octopus. It also pairs beautifully with veal, delicate poultry, truffle pasta, or creamy risottos. Mild roasted nuts, mushroom dishes, and aromatic modern appetizers complement it equally well.
