Curiosity

At the corral Formigar, where prince Tocol once celebrated parties, where the wine warmed up the hearts of his guests, the harpist Lareyn was playing songs of the mountains and of the dark myths from earlier times, which belongs to the empire of the silver mountains, to the tables of heroes of Ey de Nét, Men de Fiér and Dolasilla. (Extract from the book of Hubert Mumelter "Wine from Rätien").

Food Pairing

Best with venison, roasts, dark meat or hard cheese.

Vintage 2020

Among the white wines, 2020 presents itself as an good vintage on average with very nice Chardonnay and Pinot Grigio. The winemakers are very satisfied with the Pinot Noir and Lagrein. The Merlot and especially the Cabernet had to be harvested somewhat earlier than planned because of the weather conditions – with good but not surprisingly good qualities. The 2020 Schiava (Vernatsch) comes through as somewhat leaner than in previous years. At lower elevation locations, the 2020 harvest volumes were around five percent lower than in the previous year, and at the higher elevations, around ten percent lower. (Südtirol Wein)
