

Neuburger Bambule! 2020

Bio-Wein aus Österreich

Wine Description

Neuburger is an autochthonous, Austrian grape variety, that has its origins in the Wachau area. It has been cultivated in Burgenland for a very long time, especially around lake Neusiedl. It's a grape variety with a naturally low acidity, that's why we like to work with macerations of 5-10 days followed by 1 year of ageing in old barrels. By doing this we obtain very intense, almost exotic fruit flavours and structuring tannins.

Wine Type:	Still wine white dry
Alcohol:	12 %
Residual Sugar:	1 g/l
Acid:	6.5 g/l
Total Sulfur:	0 mg
Certificates:	organic, respect - BIODYN
Allergens:	sulfites
Drinking Temperature:	12 - 14 °C
Ageing Potential:	high (10 years)
Optimum Drinking Year:	2022 - 2029

Vineyard

Origin:	Austria, Neusiedlersee, Gols
Quality grade:	Bio-Wein aus Österreich
Site:	Raitacker
Site Type:	hillside
Varietal:	Neuburger 100 % 16 years 3000 liter/ha
Geographical Orientation:	south east
Sea Level:	130 - 170 m
Soil:	sandy loam limestone

EAN / carton 6: 9120018185832

Winery

Judith Beck is living and working in the vines. Not only because the enviable beautiful address of her winery at the end of the village Gols is called like that. Much more because she as a winemaker is convinced that the substantial qualities of a wine is developing in the vineyard. Therefore, she works since 2007 after biodynamic principles. In the cellar, Judith Beck tries with as few interventions as possible to "preserve and care for" what has matured in her vineyards in the Wagram, which is climatically favoured by Lake Neusiedl. She attaches great importance to expressing the typical fruit of her favourite varieties such as Zweigelt, Blaufränkisch, St. Laurent, Pinot Noir and Pinot Blanc in a unique way that is typical of the vintage. The result is wines with an unmistakable profile and character: substantial, structured, and multi-layered with good aging potential.
