Vineyard Site:

The vineyard is situated on the south-south-east side, laid out in terraces, reaches up to 380 m above sea level and is one of our highest sites. The vines are deeply rooted in crystalline mica slate. home mountain stems from the Proterozoic eon and is an estimated 800 million-years-old. Grüner Veltliner drives its roots into mica-schist high on the mountain slope where the vines are exposed to constant winds that provide optimal aeration.

Vintage description:

Nach dem trocknen und kühlen Start ins Jahr, erwachte die Natur mit den ersten Niederschlägen im April. Auch die Blüte ließ heuer wieder etwas auf sich warten und brachte ein aus Sonne und Wolken wechselndes Frühjahr mit sich. Durch den heißen, trockenen Sommer konnten die Trauben harmonisch heranreifen. Anfang September starteten wir voller Freude mit der Sekt-Lese. Kurz hielten wir den Atem an, als uns am 13. September ein Hagelunwetter traf. Der Rest der Lese verlief wie im Bilderbuch und wir schauen dem großartigem Jahrgang 2023 mit glücklichen Gesichtern entgegen.

Wine Description

Hand-picked grapes were carefully transformed into wine and matured in our 700-year-old natural cellar in large wooden barrels. The very steep and meager terraces of the Loiserberg vineyard provide the best conditions for an ideal Grüner Veltliner with a distinct character, deep fruitiness and an elegant style.

Winery

The Jurtschitsch winery, situated in Langenlois, is one of the most prestigious wineries in Austria which impeccably displays Austrian wine culture at its best. Alwin and Stefanie Jurtschitsch having been leading the family estate for some time now and have managed to reinterpret premium wine in their own way. For the two of them this means vinifying authentic, complex and terroir-specific wines with cool, elegant stylistics - in other words, permitting the different appellations in Langenlois to express themselves individually.
