

Blaifränkisch Bambule! 2021

Bio-Landwein aus Österreich

Wine Description

The grapes for this Blaifränkisch come from Kurzberg vineyard. They are handpicked, then whole bunch macerated for 2-3 weeks. During the maceration process the flavours are extracted in a very gentle way, without thermic or mechanic influences. This leads to an altered flavour profile. The tannins stay succulent and smooth. Then the grapes are pressed and aged in 1000l Amphoras. After 24 months the wine are bottled without filtration and SO2. This Blaifränkisch is characterized by its color, its spiciness and its fruit.

Wine Type:	Still wine red dry
Alcohol:	13 %
Residual Sugar:	1.2 g/l
Acid:	5.1 g/l
Total Sulfur:	0 mg
Certificates:	organic, respect - BIODYN
Allergens:	sulfites
Drinking Temperature:	14 - 16 °C
Aging Potential:	high (10 years)
Optimum Drinking Year:	2024 - 2031

Vineyard

EAN / carton 6: 9120018185764

Winery

Judith Beck is living and working in the vines. Not only because the enviable beautiful address of her winery at the end of the village Gols is called like that. Much more because she as a winemaker is convinced that the substantial qualities of a wine is developing in the vineyard. Therefore, she works since 2007 after biodynamic principles. In the cellar, Judith Beck tries with as few interventions as possible to “preserve and care for” what has matured in her vineyards in the Wagram, which is climatically favoured by Lake Neusiedl. She attaches great importance to expressing the typical fruit of her favourite varieties such as Zweigelt, Blaufränkisch, St. Laurent, Pinot Noir and Pinot Blanc in a unique way that is typical of the vintage. The result is wines with an unmistakable profile and character: substantial, structured, and multi-layered with good aging potential.
