<b>Aging Potential:</b>	high (30 years)
<b>Optimum Drinking Year:</b>	2026 - 2038

## WINE DESCRIPTION

The vines of Ex vero III are rooted in our poorest soils and locations. This is the top part of the vinyard where mainly Opok (chalky Marl) is dominant and where the sunlight is strongest. This always results in fully ripe fruit with a full complex flavor and texture.

## WINERY

Small family-run winery in southern Styria - Austria. Lively wine with a natural expression and play of formed aromas in the wine.
