single guyot

Geographical
Orientation: south east

Soil: limestone

Weather / Climate

Climate: pannonic

Rainfall 2021: 450 hours

Sunshine 2021: 2250 hours

Vintage description:

The 2021 vintage was warm overall, with well-balanced rainfall. After a mild and relatively dry winter, cooler spring temperatures delayed budbreak slightly. Significant rain arrived only in May, causing some challenges during flowering. March and June were particularly dry, followed by the first heatwave in early summer. July and August brought some relief with moderate rainfall before stable, sunny weather returned for the harvest from mid to late September. Warm conditions persisted until year's end - a vintage producing ripe, harmonious wines with clear fruit expression.

Cellar

Harvest: handpicked | September 16

Grape Sorting: manual

Malolactic
Fermentation: yes

Sulfur Added: yes

Maceration: squashed | 2 hour(s) | with stems: yes

Press: pneumatic

Fermentation: spontaneous
oak barrel | 500 L | used barrel | 3
week(s)

Filter: unfiltered

Maturing: oak barrel | 500 L | used barrel | 10
month(s)

Bottling: natural cork | July 20, 2022 | 640
bottles
SO2 added: 15 mg

Data

Wine Type: Still wine | white | dry
Alcohol: 13.5 %
Acid: 6.5 g/l
Residual Sugar: < 1 g/l
Allergens: sulfites

Winery

We are Michael Nittnaus and Mathias Rauscher, a East-West connection from Vorarlberg all the way to Burgenland. Because of our mutual passion for wine, we decided to start the RauSchnitt Weine project in 2019. It includes 4 vineyards, in total 0.6 hectares in Breitenbrunn and Purbach, Leithaberg, Burgenland. Syrah, Weißburgunder, and Grüner Veltliner grow on limestone and Blaufränkisch on schist. We started to farm the vineyards organically in 2019, but are not certified.
