

MORILLON VOM OPOK 2021

Bio-Wein aus Österreich

WINE DESCRIPTION

The Opok wines grow on the lower parts on the vineyards. The brown clay is dominant and the Opok is deeper down. That results in good growth for the vines and juicy aromatic combined with our typical texture of tannic and acidity. Thees wines are earlier ready to drink, but can last also for year in the bottle.

Wine Type:	Still wine white dry
