Curiosity

The county of Bolzano was divided in 1090. The eastern half fell to the Counts of "Morit" and included the territory of today's municipalities of Gargazon, Terlan, Bolzano, Leifers, Ritten etc. The Counts of Morit left their castle Morit and built the castle Greifenstein (Sauschloss) above Siebeneich. Since ancient times the Rhaetian and later the Tyrolean wine was highly appreciated by the Romans and in the German speaking countries.

Food Pairing

Ideal with South Tyrolean Speck, cheese and grilled fish. Because of its seductive lightness it's also perfect as a solo entertainer!

Vintage 2021

A late harvest and lovely, stable weather at the crush characterized Alto Adige's 2021 vintage. Thus the grapes could be left to ripen ideally, and thanks to the high temperature differentials between day and night, a great deal of aroma could form. The result is an extraordinary 2021 white wine vintage. (Südtirol Wein)
