Vineyard Site:

Located below the Tatschler vineyard, the Setz vineyard in our winery has a unique feature. It is the only vineyard that has a significant amount of slate. Documented since 1569, grapes with a special aroma grow here. Unlike all our wines grown on Leithakalk, the weathered slate imparts a cool freshness and profound elegance to this wine. The south-facing orientation of the vineyard and the resulting sunlight during long late summer days allow the grapes to ripen optimally until autumn.

Wine Description

Elegant and polished with a very attractive interplay of fine tannins and red fruits, this is an excellent, medium-bodied blaufränkisch. In the finish, the plush tannins build nicely. Still really fresh, the 14% alcohol almost invisible. Should age well due to the very good harmony. From organically grown grapes. (jamesuckling.com)
