Falstaff:	93
Gault Millau:	18
A la Carte:	94
Jancis Robinson:	17

Vineyard

Vineyard Site:

The Tatschler vineyard in Grosshöflein is a wind-protected basin site that faces south-east. Over the centuries, a massive layer of humus with limestone inclusions has formed, guaranteeing the vines optimum nutrient and water availability. This results in intense, aromatic wines with elegant acidity. The morning sun helps the grapes to dry quickly and optimally supports our organic farming methods. The surrounding forest to the north provides the necessary cooling with the cool, nocturnal winds.

Origin:	Austria, Burgenland, Leithaberg, Grosshöflein
Quality grade:	Leithaberg DAC
Site:	Ried Tatschler
Site Type:	hillside
Varietal:	Weißburgunder 30 - 47 years
Geographical Orientation:	south

Bottling:	natural cork Aug. 26, 2022 1457 x 0.75 L 24 x 1.5 L 6 x 3 L

Winery

Erwin Tinhof owns vineyards in Eisenstadt, that grow on the slopes of the Leitha Mountains. The grapes nurtured are indigenous varieties, and this has been so for 11 generations. The 15 hectare estate is cultivated in tune with local nature; Erwin Tinhof practises dry farming and does not apply any use of insecticides or herbicides, nor artificial fertilisation, to any of his vines. The estate vineyards are up to 50 years old, and contain grape varieties that are virtually completely Austria, such as the white Neuburger and Weißburgunder (Pinot blanc) as well as the black varieties Blaufränkisch and increasingly Sankt Laurent. The wines are produced from estate vineyards and following a hand harvest and winemaking with minimal intervention, the wines are bottled in the Tinhof winery. Effective from the 2012 harvest, the winery became a certified naturally organic producer.
