

# Zweigelt Blanc de Noir 2021

## Wine Description

For this wine the grapes of the red wine variety Zweigelt were pressed immediately after the harvest and fermented spontaneously in steel tanks. The clusters are from our site "Woad", a soil that contains much clay at about 320m above sealevel. The wine has a clear light colour with light pink effects which remember on the red berry skin. Our Blanc de Noir 19 is a light, fruity and spicy wine. It is recommended as aperitif as well as to light dishes or solo on warm summer nights.
