

Zweigelt Rosé 2021

Zweigelt Rosé
2021

Wine Description

Our Rose is made exclusively with clusters of the variety Zweigelt which was found in Austria by Dr. Zweigelt in 1922 and is a very common red wine variety in Austria. The 20 year old grapes grow on a clay soil in Kamptal, lower Austria in about 350m above sealevel. The harvest is rather early because healthy grapes are very important for a good red and rosé wine. After some storage time of must a part of the juice gets separated from the clusters and is treated afterwards like white wine. Hence, the colour of Rosé. The Rosé has a gentle flavour of light berries. The fruitiness combines on the palate with a spicy and mineral taste. The Rosé is an easy-drinking, light Rosé wine that suits perfect to Barbecue as well as to light fish dishes and salad.
