## Curiosity

The Eisack river is the main tributary of the Etsch (Adige) and its river valley is called the Eisacktal. It rises at the Brenner and runs into the Etsch at Bozen. Ancient authors called the river "Isarcus" or "Isargus". Only Strabo called it "Atagis" instead of Isarcus.

## **Food Pairing**

Ideal pairings include shrimp, lobster, liver pâté, soft cheeses, desserts, or just as an aperitif. Also excellent with Sushi!

## **Vintage 2022**

Great reds and astonishing whites - A hot summer yields a "gigantic red wine vintage" and extraordinary whites. The wine experts of AltoAdige agree: 2022 will be a great vintage for full-bodied red wines in particular, which benefited from the exceptionally high temperatures last summer. But white wines, too, are doing surprisingly well in all areas of cultivation, turning out unusually powerful but still fresh and fruity. (Cons. Alto Adige Wine)
