Curiosity

The name "Ateyon" is a pure fantasy name; very melodic and meanwhile a synonym for our Parade white wine.

Food Pairing

Ideal for sumptuous starters, white meat, fish - even grilled! Sophisticated risotti are also perfect companions.

Vintage 2022

Great reds and astonishing whites - A hot summer yields a "gigantic red wine vintage" and extraordinary whites. The wine experts of AltoAdige agree: 2022 will be a great vintage for full-bodied red wines in particular, which benefited from the exceptionally high temperatures last summer. But white wines, too, are doing surprisingly well in all areas of cultivation, turning out unusually powerful but still fresh and fruity. (Cons. Alto Adige Wine)
