# Blaufränkisch Ried Reisbühl 2022

Leithaberg DAC, Riedenwein

## Wine Description

Ried Reisbühl is one of Kleinhöfleins most historically significant vineyards – first documented in 1570. Facing southeast at the base of the Leithaberg, it combines calcareous, well-aerated soils with a warm microclimate. The 2022 Blaufränkisch is deep, dense yet precise, shaped by chalky minerality and dark spice. A wine of warmth, power, and firm structure.

## Tasting Notes

Dark ruby garnet with a deep core, violet reflections, and a subtle lightening at the rim. Smoky notes of blackberry and sea buckthorn, with spicy tobacco nuances and a hint of minerality. Powerful and complex, with dark berry fruit, pronounced, supporting tannins, and a fresh, mineral finish – will benefit from bottle aging. Tasted by Peter Moser, Falstaff.

## Food Pairing

A perfect match for game dishes, hearty beef, or robust vegetable dishes with roasted flavors. Especially recommended: venison loin cooked medium-rare, served with celeriac purée, lingonberry jus, and sautéed mushrooms. Younger vintages should be opened or decanted a few hours before enjoyment. We recommend a large red wine glass.

<b>Wine Type:</b>	Still wine   red   dry
<b>Alcohol:</b>	13,5 %
<b>Residual Sugar:</b>	1 g/l
<b>Acid:</b>	6 g/l
<b>Certificates:</b>	vegan
<b>Allergens:</b>	sulfites
<b>Drinking Temperature:</b>	16 – 18 °C
<b>Aging Potential:</b>	high
<b>Optimum Drinking Year:</b>	2025 – 2032

<b>Weinguide Austria:</b>	96 points
<b>A la Carté:</b>	95 points
<b>Falstaff:</b>	94 points
<b>Gault &amp; Millau:</b>	93 point

## Vineyard

### Vineyard Site:

Ried Reisbühl lies at the southeast-facing base of the Leithaberg between Groß- and Kleinhöflein. First documented in 1570, it is one of Burgenland's most historic vineyard sites. Sandy to loamy topsoil rich in limestone sits atop a stony subsoil, ensuring deep root penetration and a well-balanced water supply. This unique soil composition shapes powerful, structured wines with chalky minerality and subtle spice.

**Origin:** Austria, Burgenland, Leithaberg, Kleinhöflein

<b>Sunshine 2022:</b>	2179 hours

### Vintage description:

The 2022 vintage was characterized by a warm, dry spring and a hot summer with occasional heat waves. Thanks to timely rainfall in August, the vines were able to complete their ripening process well. The harvest began somewhat earlier than average and yielded healthy, aromatically concentrated grapes with good acidity. Especially in the higher elevations of the Leitha Mountains, balanced conditions were found for elegant, mineral wines. Overall, the 2022 vintage promises wines with finesse, aging potential, and regional expression.

## Harvest and Maturing

The selective harvest of the ripe, healthy grapes is carried out exclusively by hand. In the cellar, the grapes are destemmed and lightly crushed. The natural, alcoholic fermentation and maceration takes place in stainless steel tanks and lasts three to four weeks. During this time, the mash is pumped over (remontage) two to four times a day to release the valuable ingredients (color, tannin) from the skins. Further maturation and natural malolactic fermentation takes place in small oak barrels. To ensure that the taste of our single vineyard wines is not dominated by oak flavors, we prefer to use used barrels, at least never more than a third new. We let the young wine rest for as long as possible without any intervention (racking, sulfurization). After around 22 months of barrel aging, the individual barrels are blended and stored in stainless steel tanks until bottling. In order to retain as much of the wine's original freshness and character as possible without "clouding" future enjoyment, this wine is only subjected to a light, clarifying filtration during bottling.

<b>Harvest:</b>	handpicked   September 28
<b>Grape Sorting:</b>	manual
<b>Fermentation:</b>	spontaneous
<b>Malolactic Fermentation:</b>	yes
<b>Mash Fermentation:</b>	complete destemming   stainless steel tank   3 - 4 week(s)
<b>Sulfur Added:</b>	yes
