# Chardonnay 2022

Leithaberg DAC, Gebietswein

## Wine Description

This Chardonnay embodies the unique terroir of the Leitha Mountains. Its sophisticated fruit and mineral spiciness make this wine an ambassador of its origins.

## Tasting Notes

Light golden yellow, silver reflections. Fresh meadow herbs, a hint of Golden Delicious apple, delicately smoky orange zest. Medium body, white peach, with delicate caramel undertones, fine fruit sweetness, mineral-lemon aftertaste, lemony aftertaste.

## Food Pairing

A versatile accompaniment to dishes, especially fish, seafood and white meat. But it also goes wonderfully with classic Viennese cuisine with traditional beef/veal dishes. We recommend a large white wine glass (Burgundy glass).

## Harvest and Maturing

After the selective hand-picking, the grapes are destemmed and lightly crushed. A short maceration period of a few hours is followed by slow and gentle pressing. The resulting fresh must is naturally clarified by settling (sedimentation). Fermentation takes place with natural yeasts in large and small oak barrels. Following alcoholic fermentation, biological malolactic fermentation takes place and the wine is aged on the full yeast until the end of winter (February). The young wine is clarified/filtered in spring and prepared for bottling.
