## Gemischter Satz 2022

## Wine Description

The Gemsichter Satz is not a Cuvée; it means that different vine varieties grow together in one vineyard. At the harvest the grapes were harvested together, pressed together and fermented together. 50 years ago this was the typical form of winegrowing before winegrowers started to make single-variety wines. This Gemischter Satz includes typical varieties of our region from 50 year old vines. The vineyard is situated in the very north of our region at almost 400m above sea level, which means a strong and cold climate. (Cool nights, rough winds) This brings fruitiness in the wine. The Gemischter Satz 2022 is a light, fruity and easy drinking wine with low acidity. It goes well with spicy vegetarian and Asian food.
