Was diesen Veltliner prägt ist das Kremstal! Drei Lagen, drei Böden, drei kleinklimatische Besonderheiten, vereint in einem Wein. Die Donau am Eingang des Kremstals bietet andere kleinklimatische Bedingungen wie der intensive einfluss des Waldviertels am ende Des Kremstals in Senftenberg. Zusätzlich kommt noch die geologische Vielfalt des Kremstals ins Spiel. Eine Momentaufnahme in verschiedenen Reifestadien, wie beim Gemischten Satz, nur eine Sorte dafür andere Orte! Der Name ist aus einer Gemütslage entstanden die ich gerne bei einer Verkostung erzähle!

WINERY

In 2005 Alexander Zöllner staked everything on one card and acquired half an acre of vineyards in Lower Austria's Krems valley. Over the years other plots were added and today he owns 7 hectares of vineyards which are cultivated organically. Emphasis lies on the detailed representation of the terroir and the different grape varieties. Gruner Veltliner sets the tone, Riesling, Roter Veltliner and Zweigelt complete the varietal range. They all share a carefully considered and deliberate vinification which represents the vintage without embellishment. Rough edges and individual expressions are gladly accepted.
